SENTRY

THE SENTRY

To every thing there is a season,
And a time to every purpose under heaven;
A time to be born and a time to die;
A time to plant and a time to pluck up
that which is planted;
A time to kill and a time to heal;
A time to break down and a time to build up;
A time to weep and a time to laugh;
A time to mourn and a time to dance;
A time to cast away stones and a time to
gather stones together;
A time to embrace and a time to refrain
from embracing;
A time to get and a time to lose;
A time to keep silence and a time to speak;
A time to rend and a time to sew;
A time to love and a time to hate;
A time of war and a time of peace.

APPRECIATION

We appreciate:
The time to learn, to struggle, to create;
The time to talk, to read, to listen;
The time to smile, to cry, to pray;
The time to grow in a peaceful era;
The time to be strong, to accept, to hope;
The time to do one's best and to be oneself;
The time for conversation with minds
Whose messages strike meaning;
The time to glimpse things as they may be
before we confront them as they are;
The time to be free, yet protected by those who
care;
The time to change, to dream, to reach
outward and to look inward;
The time for love, for laughter, and for life.

—Janet Fuller

A Message From John Benoit

As time passes by, we will look back at our years at South Burlington High School and appreciate the exceptionally fine educational institution in which we have spent our high school years. Coming to the new school as sophomores, we have been part of its early history.

We have seen not only the academic life developing into a good sound program but also the many extracurricular groups making great progress. We have been proud of our teams, the dramatics and music groups, the literary productions, and the other organizations that have given us a chance to follow our own interests.

As president of the class of 1964, I would like to pay sincere tribute to those who have kept the high goals of our proud tradition in mind in both academic and extracurricular activities.

Jean Alverson, first to receive diploma of 1964

John Benoit, class president, introduced the commencement speaker, Mr. Harold Raynolds, chairman of the Vermont State Board of Education. Mr. Raynolds urged the graduates not to become wasteful burdens with false ideals, but to become citizens of the world by establishing a high set of standards and principles. The fact that the world will always be confronted with problems should not be used as an excuse for under-achievement.

Rene J. Berard presented best wishes on behalf of the South Burlington School Board. Following these remarks, Principal Herbert presented scholarships and awards to outstanding students; Mr. Lull presented diplomas to the eighty-three graduates.

This year witnessed the introduction of the Rebels into Northern League sporting activities. Our first entry, the Rebel football squad, using a combination of pride and determination, represented us very well and won the respect and admiration of its many followers. The team experienced one of the highlights of the entire League's season when it upset highly rated St. Johnsbury Academy early in the season. In compiling a season's record of 4-4, it gave evidence that the future of football at South Burlington is bright.

Leading the 1963 squad on and off the field was most valuable lineman and captain, Dick Trudell. His leadership and desire added much to the team's attitude toward the game. Red Gillespie was another standout as he received the most valuable back award and was elected to the All-State Football Team.

All right, let's play some heads up football!

Football, like all other sports, requires a great deal of experience. This experience is gained through years of participation. J. V. football offers the student a means of acquiring this ability. This year's team, although not successful in the win-lost column, did help to develop boys for the future. If hard work and desire contribute to winning, it appears that a fine football tradition will be established in the future years at South Burlington.

The 1963-64 edition of the Rebel hoop squad, living up to the tradition established for it in the past two seasons, finished with a very fine 14-6 record. Ending in second place in the Northern League behind Rice and being seeded second in the Tournament were accomplishments deserving much praise.

Helping to lead the team to such a successful season was Ed Childs, who scored 424 points and won the Northern League scoring crown. Mike Leonard and "Red" Gillespie, as the other seniors on the starting team, should be commended on their fine play. Bob Booth and Paul Clark, who return next year, should help make the South Burlington High School basketball team of 1964-65 one to be feared and respected by its opponents.

The JV basketball squad, although young and inexperienced, gave fans many thrills throughout the season. With a great many boys returning next year, it appears that the Rebels' good fortune in basketball should continue. It should be noted that Mr. Marcotte will not be with us next year. We will miss his services greatly but hope that he will have success at Champlain Valley Union High School.

Our girls' basketball team worked very hard this year under the direction of Coach Stainton. They offered good competition to their well-organized opponents and remained undefeated in school spirit. Despite the team's losing record, the girls showed signs of improvement, climaxing their season with a decisive victory over Waterbury.

Seniors who have played their last game for SBHS are Mel Hook, Sherry Pecor, and Judy Willey.

Miss Vantine has assisted the cheerleaders throughout the season.

Seniors who made the squad were Pat DeCesaris, Paula Gardner, Jane Herbert, and Cheryl Place.

The juniors were Pat LaClair and Mary Thompson.

The Junior Varsity Squad consisted of Candi Aldrich, Cindy Collingwood, Sue Latrell, Jan Little, Sandy Smith, and Barb Tatler.

This year's baseball entry into the Northern League was a team which was hampered by the lack of experience and pitching depth. Although the season was not successful as far as the record goes, it nevertheless afforded the townspeople a chance to watch good, spirited baseball.

What the team lacked in talent it made up for in hustle and scrap. Next year, with the nucleus of this year's team returning, South Burlington looms as a top contender for league honors.

Leading the team under Coach "Reg" Godin, were seniors Jim McGee who was selected Most Valuable Player, Mike Leonard, and junior Dave Burrell. Good hitting by Fred Black and Gary Viens also helped the cause.

J.V. Baseball

1964 was the first year for a J.V. baseball team at South Burlington. The results of this endeavor could hardly have been expected. Led by such standouts as Mark Couture and Ken Douglas, coach Doug Tudhope's team ended with a very commendable record. With such a reservoir of talent coming along it looks as though baseball will be a successful spring sport in the years to come.

Boutilier, B. Nardelli.

The varsity track team, in the second year of formal competition ended its successful season with a 5-4 slate. The lack of depth was again the problem prevalent in most of the events and contributed significantly to the defeats suffered against larger schools.

After the regular season had closed, the team journeyed to Lyndon Institute for the Northern District Meet. With five men earning points, South Burlington finished fifth in the meet. These five subsequently participated in the State Meet at Centennial Field. Against twenty of the best schools in the state, the team tied for sixth. This is a very enviable record and one which justifies the school's pride in track.

Standouts on the team were Chip Carey, Jeff Dunkle, "Red" Gillespie, and M.V.P. Ed Childs, who, by jumping 6'½", earned the school its first state record.

Members of the Columbians participated in the Shakespearean celebration at the UVM Arena Theater in April.

The officers for the year were president, Bill Prior; vice president, Bill Schneider; secretary, Laura Thompson; and treasurer, Cynthia Turo. Student Director was Sarah Dopp.

Chorus

The Senior High Chorus of seventy voices gave its annual Christmas concert of religious music and its Spring concert of lighter selections. Under the direction of Mr. Foulkes, the group also participated in the Student Council Convention and graduation ceremonies.

Again this year the chorus took part in an exchange concert with the high school band from Shawinigan, Quebec. In March, the Shawinigan group came to South Burlington; and, in April, the South Burlington Chorus traveled to Canada.

In May nine members of the Chorus participated in the All-State Chorus.

Senior High Band

Two concerts and a Christmas television program gave the public an opportunity to enjoy the results of the hours of training the Band has had under Mr. Foulkes. The school has also enjoyed their playing at several events.

After auditions, nine members of the group were accepted for the All-State Band and seven for the All-State Orchestra.

Dance Band

Composed of students playing for their own enjoyment, the Dance Band has enjoyed many hours of music this year. Under the direction of Mr. Foulkes, the small band played at the Spring Concert in May and at the Student Council Convention.

Junior High Chorus

Joining with the Senior High Music groups in the two major concerts of the year, the Junior High Band and Chorus contributed to the musical efforts of the school. Mr. Foulkes directed the Band while Mrs. Zalasny worked with the Chorus for the first half of the year and Mrs. Ellenwood, the second half.

The National Honor Society has played an important role in the establishment of new programs this year. The sale of paperback books has been a major project. The organization has also cooperated in the establishment of the local American Field Service Club. The officers were President Sarah Dopp, Vice President Marcia Urie, Secretary Janet Fuller, Treasurer Bret Powell. Mr. Brown is the advisor of the Society.

1964 was an important year for the Student Congress, for in March the school was host to the three-day State Student Council Convention—an event which involved much planning and effort. Bill Schneider, '64, presided over the convention as president of the Vermont Association of Student Councils; and Bret Powell, '65, was elected vice president of the association for next year. Three hundred and fifty students were housed, fed, and entertained during the convention.

Another major project of the Congress has been the redecoration of the cafeterias. Colorful drapes were added; murals by Alan Boutilier, '64, and Tony Shull were hung; table tops were painted by students under the direction of the Congress. These additions have provided a fresh and inviting atmosphere in the cafeterias.

The Student Handbook project of the Congress was further developed with the help of Miss Corley. The Congress also took the major responsibility for the Prom with faculty supervision from Miss Lavin.

Officers in charge of the Congress in this second full year of school leadership were President Jim Yendrezski, Vice President Dick Trudell, Recording Secretary Sandra Smith, Corresponding Secretary Alison Cook, and Treasurer Alan Boutilier. Mr. Ladeau has been the faculty advisor of the Congress.

Members of the club ushered at concerts and other activities at the school. The Club also helped at track meets, served at the basketball banquet, and helped raise money for the Dorey Fund. On a rotating basis, members attended the weekly luncheon of the local Kiwanis Club, which sponsors the Key Club. In April, Mike Gadue, Alan Kenfield, and Bret Powell attended a Key Club Conference held in Boston. The other officers are Vice President Jeff Dunkle, Secretary Alan Kenfield, and Treasurer Bill Prior. Faculty advisor is Mr. Starr.

Debate Club

First row: Dave Jarvis, Dave Seres, Stan Scharf, Mike Gadue. *Second row:* Miss Stickney, Mr. Lisman.

The Debate Club, organized this year, was composed of four inexperienced members but it had a very successful year under the direction of the coaches, Mr. Lisman and Miss Stickney.

In its first debate, the affirmative team—Dave Sears and Stan Scharf—captured the honors and the boys were rated top debaters. At the state tournament held at UVM, the team tied for second place in the novice division, winning five and losing three. Although the team lacked depth, it showed great promise. Next year great things are anticipated from a more experienced squad.

Here's a good argument.

The *Harvest* staff, composed of the members of the Junior Honors English Class, undertook the publishing of the second edition of the magazine. The result was a worthwhile publication which stimulated student interest in creative writing.

Prose and poetry submitted from all classes was screened and edited by the staff which was gratified by the cooperation of budding authors.

As editor, Dave Jarvis was generally responsible for the publication, aided by Stanley Scharf as his assistant. Steven Howe was business manager and Alan Kenfield took charge of circulation. Phyllis Weil was art editor. Miss Urie, as class instructor, was faculty advisor for the publication.

Literary gems.

Office Girls

There are unsung heroes who do many jobs that we take for granted. Among them are the librarians, the cafeteria work crew, the helpers in the health room, the office girls, and the student aides. By their service, our school becomes a pleasanter place in which to work.

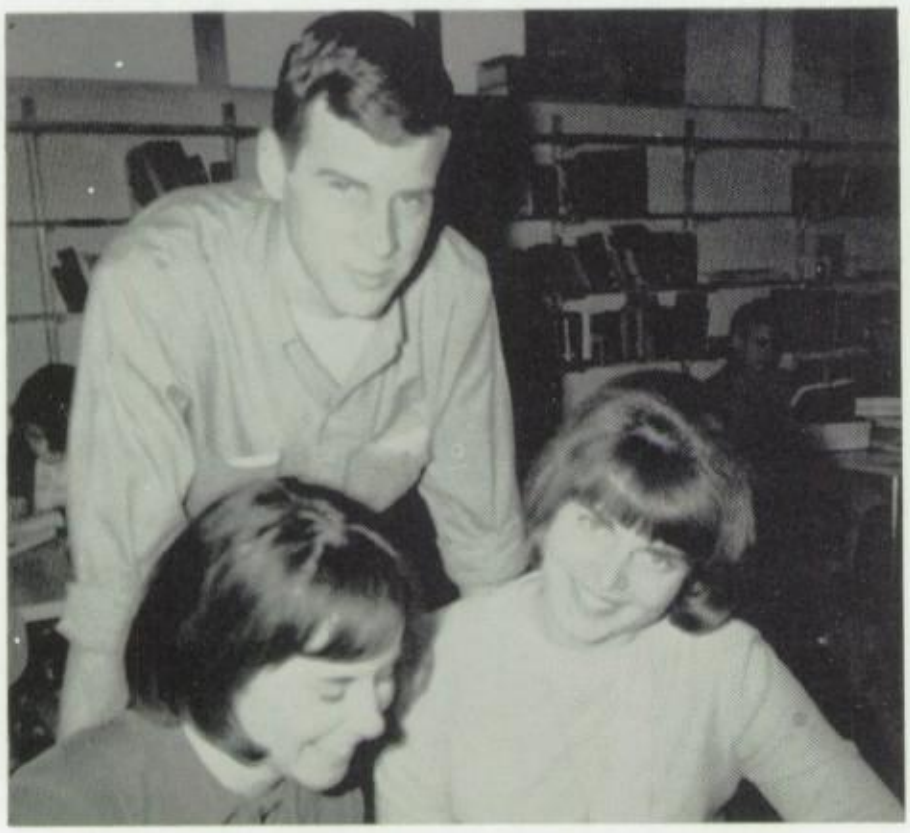
SBHS International



Aspa with Julie Babcock, her American sister and ski.

Hi, SBHSers,

I will be gone by the time that you read this letter. I spent a year in the U.S.A., a year that seemed a "century" away from home when I was in Oregon. But what a change! The last three months that I was with you in South Burlington, the time went by without noticing it.

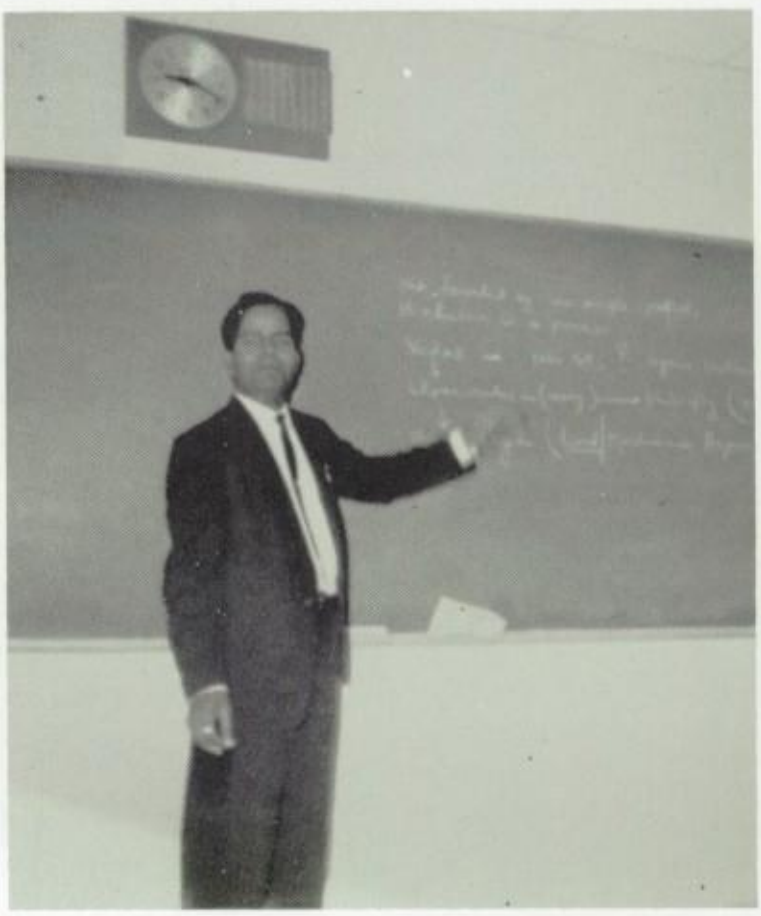
The smile of the teachers, the friendliness of the students, the Babcocks (my wonderful American family), the beautiful Vermont country, make me to feel so happy day after day.

I was very surprised when I heard that the Vermonters are characterized as unfriendly. As far as I am concerned, you are quite friendly and you show and express your feelings the right way and at the right time.

I am very thankful to you, because with your way you helped me to change part of my impression of the American people. I hope, in the very short time that I had, I gave you an idea about the Greek people and how the Greeks get along with the rest of the world, and they are not so different from the Americans after all.

Aspa Frangou

Mr. Joshi, an exchange teacher from India, spent several weeks at SBHS observing the functioning of the school speaking to several classes, and participating in many school functions. Mr. Tudhope, the Modern Problems teacher, acted as Mr. Joshi's mentor while students from the Modern Problems class accompanied Mr. Joshi on his trips around the state to visit other schools.



Mr. Joshi explains his Hindu faith.

Candids

Have you heard any shaggy dog stories lately?

What's our strategy?

Well, Bill, is this your brother?

Where art thou, Juliet?

You show them how it's done, Mr. K.

While Miss Urie's away, the rats will play.
